NEW YORK, March 2.—The net result of today's trading in stocks is a practical winning out on yesterday's transactions. The market was a general advance. **"To Satisfy Our Curiosity" Says Congressman Smith.**

**MR TENNIS' APPOINTMENT**

His Name Substituted for that of Mr. Geo. A. Schmeiz as a Member of the Electoral Board. Other Matters of Interest.

The Daily Press correspondent yesterday received authoritative information confirming the report that a party of United States Congressmen were to embark for Cuba on the yacht Anita.

The party will be composed of the following gentlemen and ladies: Senator J. H. Gallinger and wife, Senator J. M. Thurston and wife, Senator P. D. Money and wife, and Miss Money, Representative Amos J. Cummings, Representative William A. Smith, Mr. H. J. Brown and Miss Walsh.

When approached by the Daily Press correspondent yesterday, Congressman William A. Smith did not attempt to conceal the fact that the trip would be undertaken for the purpose of the expedition very willingly.

"Yes, we are going to Havana as soon as the yacht is ready to take us," he said. "The trip is made to satisfy the curiosity of the members of the party. Mr. Smith explained and they will not act in their official capacities while in Cuba. The expenses of fitting up the yacht little yacht Anita, and the expenses of the trip, will be borne by the members of the party. **THE NEW ELECTORAL BOARD.**

Change in the Names Recommended a Subject of Comment.

The appointment by the Legislature on Tuesday of the electoral board for Elizabeth City county confirmed the report that was mentioned in the Daily Press, that an effort was being made to substitute the name of Mr. E. M. Tennis for that of Mr. George A. Schmeiz, who was recommended by the county executive committee, as one of the members of the board.

The board as named consists of Messrs. Segar, Whiting, T. H. Parramore and E. M. Tennis, the latter a gentleman, having been recommended, along with Mr. Schmeiz, by the county executive committee.

Mr. E. M. Tennis, the flatterer delegate from this section, the district was for some reason, opposed to the appointment of Mr. Schmeiz as a member of the board, and at his instance the name of Mr. Tennis was substituted for that of Mr. Schmeiz. A member of the district committee, who went to Richmond to investigate the truth of the report that the change in the recommendations of the executive committee would be made, learned from Mr. Montague that the rumor was well founded. Mr. Montague stated as his reason for taking this position that he desired to eliminate the feeling of jealousy in the party during the last campaign, and restore entire harmony and unity.

Among the hardest workers for the election of Mr. Schmeiz was Mr. Schmeiz, and the unexpected development in the electoral board matter was the subject yesterday of considerable comment.

The change in the electoral board throws the balance of power in the hands of those who opposed Mr. Montague's nomination, and his action is regarded in some quarters as a violation of his obligations to those who fought for him when he most needed supporters.
